Professional Summary

Experienced React.js Developer with 2.4 years of expertise in building responsive, user-centric web applications. Proficient in JavaScript and modern front-end development practices.

Technical Skills

- **Front-End:** React.js, Redux, React Query, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS
- **Database:** Firebase, MongoDB, MySQL
- **Version Control:** Git, GitHub
- **Tools:** VS Code, Postman

Professional Experience

React.js Developer

Infosys, Chandigarh

03/2022 – 06/2024

- Developed multiple functional web applications to analyze and process data for clients.
- Ensured applications interact seamlessly with APIs and databases.
- Built a standalone data extraction agent and main application features for a financial product.

Projects

CSCM Dashboard

React.js, Firebase, REST APIs, Chart.js

- Developed a React.js-based platform for real-time insights and workflow management in supply chain processes, leveraging Redux for state management and React Query for efficient data fetching.
- Implemented analytics and data visualization using Chart.js and Recharts to optimize logistics and monitor components, ensuring clear and actionable insights.
- Designed a responsive and modern UI with Material-UI and Tailwind CSS, enhancing user experience and accessibility across devices.
- Integrated Firebase for real-time data storage and authentication, utilizing React Hook Form and Yup for seamless form handling and validation.

Blog Post Website

React, Node.js, Firebase, MySQL, REST APIs

- Built a single-page blog post website using React.js, leveraging React Router for seamless navigation and React Query for efficient data fetching and caching.
- Implemented a backend with Node.js and Express, using REST APIs to interact with a MySQL database for dynamic content management.
- Integrated Firebase for authentication and real-time updates, while utilizing Tailwind CSS (or Material-UI) for a responsive and modern UI.

Education

Bachelor of Technology in Computer Science

Punjab Technical University, Ludhiana

Graduation Year: 2019
