EDUCATION

SRM University | Kattankulathur, Tamil Nadu
B.Tech / CSE | CGPA: 9.2/10

July, 2018 – May, 2022

EXPERIENCE

SDE 2 – Bajaj Finserv Health Limited
Pune, Maharashtra

January, 2022 – Present

- **Micro-Frontend Architecture:** Spearheaded its adoption for the **Utilization Journeys**, implementing independently deployable modules and enhancing scalability and development agility.
- **App-in-App Functionality:** Engineered **web-view class** workflows with advanced file upload features, enhancing user engagement and streamlining operations for a seamless UX.
- **Page Performance Optimization:** Orchestrated performance with lazy loading, code-splitting, and **Core Web Vitals** tuning, improving load times by 30% and **reducing crashes** for a smoother experience.
- **System Monitoring & Reliability:** Deployed advanced **ELK** logging, **MS Clarity**, and **GA/CT** events, increasing uptime by **31%** and optimizing **API tracking** for a more stable, reliable platform.
- **User Impact:** Architected **OPD claim journey**, boosting users by **65K** and traffic by **40%** with features like Savings Card enhancing metrics.
- **Localization Strategy:** Pioneering and **conceptualizing localization** for **10+ regions** and **6+ Indian languages**, the organization enhances accessibility, boosts and **expands market** reach.
- **CI/CD & Code Quality:** Engineered Azure DevOps **CI/CD** pipelines with **SonarQube**, reducing duplication from **52% to 0.5%** and code smells by **86%**, ensuring secure, **high-quality code**.

SDE Intern – Coding Blocks
Noida, Uttar Pradesh

February, 2021 – December, 2021

- **ReactJs Trainer:** Delivered high-impact ReactJS training to 200+ students, resolving 500+ technical queries.
- **Created Targeted Assignments:** Developed assignments tailored to align with specific learning objectives, ensuring students gained practical skills.
- **Mentored Student Projects:** Provided guidance on student projects, offering personalized feedback to enhance coding skills and foster a collaborative learning environment.

SDE Intern – Prabisha Consulting Ltd
New Delhi, Delhi

May, 2020 – January, 2021

- **Developed E-commerce Platform:** Built and optimized a full-stack e-commerce platform using React.js and Node.js, ensuring seamless UI/UX.
- **Created Custom Email Templates:** Designed responsive templates, optimized for compatibility across devices and email clients.
- **Collaborated on Web Development:** Partnered with designers and backend developers to transform wireframes into high-performance, fully integrated applications.

SDE Intern – CFCS Solutions
Greater Noida, Uttar Pradesh

December, 2019 – April, 2020

- **Enhanced User Experience:** Supported 40,000 weekly users through the development of a global services portal.
- **Migration:** Transitioned codebase to TypeScript and Next.js, boosting scalability and performance.

PROJECTS

Secret Keeper | FullStack, Hashing passwords, Salting, Opinion Mining (banned abusive words)

- App allows user to sign in using Google or Facebook and helps to submit a secret under anonymous name.

React Projects | ReactJs, NextJs, Typescript, HTML/CSS/Js

- Expense Tracker App, Keeper App to track daily tasks, Books App with Goodreads API.
- Games Developed : Simon's Game , Tic Tac Toe , Rock Paper Scissors.

TECHNICAL SKILLS

NextJs, Reactjs, JavaScript, TypeScript, HTML/CSS, REST API, Context API, Github, Unit Testing(RTL), Micro-Frontend - Architecture, NodeJs, EmotionJs, ExpressJs, UI/UX, CI/CD pipelines, Python, MS Azure.
