Bismillah Heights, 6th floor, Flat No. 603, Teli Mohallah, Nagpada, Mumbai - 400008

### SUMMARY

I am a Web Developer with 3 years of experience specializing in CMS platforms, jQuery, JavaScript, and WordPress. I excel in building responsive websites using the latest Bootstrap framework, creating animated banners, and developing cross-browser compatible emails. With a strong foundation in database design and project management, I am committed to delivering high-quality results and providing valuable training to end users.
