Work Experience

Graphic Designer

Manav Rachna International Institute Of Research And Studies (July'24 - Currently)

Managed graphic design, branding, and website redesigns to strengthen institutional identity. Created social media content and executed marketing campaigns via email, SMS, and WhatsApp. Designed print materials like referral cards, brochures, and welcome kit packaging etc. to support admissions and promotions. Delivered visually appealing designs to enhance communication across digital and print platforms.

Excecutive Visual Communication Designer

Aditya Birla Fashion and Retail (Dec'22 - July'24)

At ABFRL, I managed Jaypore's social media presence across platforms like Instagram, Facebook, and YouTube. I planned, designed, and posted content, shaping the brand's visual identity through social posts, emailers, website banners, and ads. I also worked on large-scale projects like hoardings and in-store visuals. Partnering with the marketing team, I developed strategies to boost engagement and elevate the brand's presence.

Graphic Designer

SUPER 99 (May'22 - Dec 22')

Specialized in designing brochures, catalogs, and product packaging, ensuring alignment with brand aesthetics and cost-effective solutions. Managed in-store branding for festivals and supported franchise stores with creative branding strategies for Super 99, a retail chain.
