LinkedIn-CheekatiSarath

Certified Professional | React & Next.js Specialist | Scalable Web Solutions & Automation Strategist

Education

2021

Bachelor's Degree,
Electronics and
Communications
BV Raju Institute of
Technology

Core Competencies

Software Development Life
Cycle

Application Integration
Techniques

Technical Support &
Troubleshooting

User Experience Design

Code Development & Review

System Architecture and
Design

Agile & Scrum Methodologies

Requirement Gathering & Gap
Analysis

Technical Documentation

CI/CD Process

Cross-Functional Collaboration

Project Management &
Coordination

Technical Skills

React JS, Next.js, HTML, CSS,
JavaScript, TypeScript, Tailwind
CSS, SCSS

React Redux, Redux Toolkit,
React Query, React Hook Form

React Testing Library, Selenium

Git, GitHub

Oracle SQL, Mongo DB

Profile Summary

- ➔ **Proficient Web Developer** with over **3 years of experience**, including **2+ years in React.js & Next.js development** and **1.5 years in automation testing**, delivering high-performance and scalable web applications.
- ➔ **Expertise in front-end technologies**, leveraging **React.js, Next.js, Redux Toolkit, TypeScript, and Tailwind CSS** to build user-centric and visually appealing interfaces.
- ➔ **Automation & Quality Assurance Specialist**, experienced in **Selenium, React Testing Library, and Azure DevOps**, ensuring robust application performance through automated and manual testing.
- ➔ **Project Leadership & Optimization**, currently leading the development of a **Real Estate CRM for Bondstreet Mortgage**, utilizing **Prime React, Sakai Template, and Prime Flex CSS Libraries** for enhanced scalability and responsiveness.
- ➔ **Strong foundation in software development** with hands-on experience in **Git, MongoDB, and Oracle SQL**, complemented by certifications in **Java Development, ISTQB, and Web Development (CCBP NXT Wave Program)**.

Career Timeline

virtusa
Accelerating Business Outcomes

Sep'21 – May'24

**Web
Developer**

PCG **PIAZZA**
CONSULTING GROUP

Since Jun'24

**React JS
Developer**

Work Experience

Jun'24 – Till Date | React JS Developer | Piazza Consulting Services

Key Result Areas:

- ➔ Leading the end-to-end development of scalable and high-performance web applications, including a Real Estate CRM for Bondstreet Mortgage (New Jersey).
- ➔ Utilizing modern frameworks and libraries such as **Next.js, Prime React, Prime Flex, and Sakai Template** to deliver seamless user experiences.
- ➔ Designing and implementing **responsive, user-friendly interfaces** ensuring cross-device compatibility and accessibility.
- ➔ Leveraging **Styled Components and SCSS** to create visually appealing UI components aligned with business needs.
- ➔ Architecting efficient state management using **React Redux, Redux Toolkit, and React Query** for seamless real-time data updates.
- ➔ Writing **clean, maintainable, and reusable code** adhering to industry best practices and coding standards.
- ➔ Conducting **code reviews** and ensure adherence to performance and security guidelines.
- ➔ Integrating **RESTful APIs and GraphQL** to fetch and manage data efficiently.
- ➔ Ensuring **secure and optimized data handling** for smooth application functionality.
- ➔ Debugging and troubleshooting issues to maintain application reliability.
- ➔ Working closely with designers, backend developers, and stakeholders in an **Agile environment (Scrum/Kanban)** to deliver features efficiently.
- ➔ Participating in sprint planning, daily stand-ups, and retrospective meetings.

Achievements

2021: CCBP NXT wave program (6 months' web developer program)

2021: Java Developer certification from J-Spiders in Hyderabad

2021: Certified ISTQB

Sep'21 – May'24 | Various Roles | [Virtusa](#)

Key Result Areas:

- ➔ Engineered dynamic and responsive web applications using **React.js**, **Next.js**, and front-end frameworks.
- ➔ Ensured cross-device compatibility and performance optimization using **Styled Components** and **SCSS**.
- ➔ Wrote clean, maintainable, and reusable code following industry best practices.
- ➔ Conducted **unit and integration testing** using **React Testing Library** to ensure code reliability.
- ➔ Worked closely with designers and product teams to **enhance UI/UX** based on business requirements.
- ➔ Implemented **responsive design principles** to improve accessibility and user engagement.
- ➔ Identified and resolved performance bottlenecks to enhance application speed and efficiency.
- ➔ Debugged and fixed issues to improve stability and functionality.
- ➔ Participated in **Agile development cycles**, attending daily stand-ups, sprint planning, and retrospectives.
- ➔ Collaborated with **cross-functional teams** to integrate back-end services and APIs seamlessly.
- ➔ Managed source code with **Git**, ensuring version control and smooth collaboration.
- ➔ Assisted in deploying applications to production environments with **CI/CD pipelines**.
