- Mentored junior team members by providing technical guidance, conducting code reviews, sharing industry best practices, and supporting their professional growth.
- Conducted regular team meetings and sprint reviews to track progress, address issues, and celebrate achievements.
- Evaluated and adopted new technologies, tools, and best practices to enhance UI development processes and outcomes.

Data Management:

- GraphQL
- Web3.js

Testing and Development Tools:

- Jest

 Education

Bachelor of Engineering,
Thakur College of Engineering
and Technology, Mumbai
University, Information
Technology (First Class) in
Jun’13

Diploma in computer
engineering, Pravin Patil
College of Diploma Engineering
& Technology, MSBTE
University, Computer
Engineering (First Class) in
May’10

Apr’19- Jan’22 | Associate Frontend Developer in The Minimalist

Key Result Areas:

- Spearheaded the creation of UI for the learning management system, utilizing **Vue.js, Vuex, and Element-UI** libraries to craft responsive and consistent web pages.
- Developed modular components for use across web pages, enhancing scalability and maintainability.
- Optimize front-end code to reduce page load times and improve performance (e.g., image compression, lazy loading, code minification).
- Work closely with UX/UI designers to ensure designs are implemented correctly and deliver a consistent user experience.
- Test front-end code for functionality, performance, and compatibility across different browsers and devices.

Apr’17- Mar’19 | UI Developer in Hepta

Key Result Areas:

- Build visually appealing and user-friendly interfaces using HTML, CSS, JavaScript, and other front-end technologies.
- Develop reusable UI components that can be integrated across multiple parts of an application.
- Work closely with **UX designers** to translate wireframes and mockups into functional and responsive user interfaces.
- Ensure seamless interaction between the UI and the backend systems to deliver dynamic content.

 Personal Details

Address	Mumbai , India
Date of Birth	27 nd April 1992
