

Sr. Graphic Designer

Mumbai, Maharashtra 400055
imranimk@gmail.com
+91 70210 14055

Passionate about design and having experience of over a decade. I have been a part of visual graphic designing, branding & typography. Experience in creation and execution of campaigns across media types for branding, acquisition, retention or Social Media engagement objectives. Analytical bent of mind with an eye for detailing.

I have executed projects for many exceptional companies during my profession in India & Asian countries. I served wide range of industries including hospitality, retail, corporate and real estate.

Working with clients using their business brief to develop brand concepts, deliver original artwork and inspire a broad audience. Passionate about working with diverse teams in developing client solutions.
