

Shubham Raturi

Efficient

Achiever

Analytical

Thinking

Analysing | Exploring

Shubham is comfortable in dealing with numerical data to understand problems and solve them. Shubham tends to be factual and uses evidence to support their hypothesis.

Shubham prefers following established and proven approaches when dealing with any obstacles. Shubham appreciates the need for authority and rules and can adjust easily to this. Shubham is generally practical and down to earth but at times may benefit from keeping an open mind to new or novel approaches to problems.

Connecting

Networking | Collaborating

Shubham tends to keep their opinions to themselves and avoids getting involved in problems of their co-workers. Shubham can be quite competitive and may be skeptical about people unless proven otherwise. Shubham may take decisions without considering the viewpoints of others.

Shubham can take time to establish rapport with new people and may be reserved in group settings. Shubham may prefer to work independently and can find it uncomfortable to be the center of attention.

Executing

Quality | Result Driven

Shubham pays attention to details and enjoys delivering work that is of a high standard.

Shubham tends to be systematic, methodical and organised and delivers within deadlines. Shubham is reliable and disciplined and driven to achieve their goals.

Progressing

Leadership | Resilience | Adaptability

Shubham is comfortable with working in rapidly changing environments.

Shubham enjoys discovering new cultures and approaches and the learning opportunities these bring.

Shubham is focused and drives their team towards desired outcomes irrespective of obstacles.

Shubham recovers quickly from setbacks and does not let negativity pull them down.

Role Fit
