EDUCATION

Galgotias University, Uttar Pradesh, India
B.Tech Computer science and engineering

(2018 - 2022)

SKILLS

- **Languages:** JavaScript, SQL, Python, ColdFusion
- **Frameworks & Libraries:** React.JS, Redux, Context API Next.JS, Tailwind CSS, Bootstrap, UI (Material, Ant design, Chakra), Jest, OOPS concepts
- **Tools & Technologies:** ServiceNow. GitHub, SVN, SSH, Git
- **Soft skills:** Excellent communication skills, Agile methodologies, Team player

EXPERIENCE

Hexaware Technologies

Pune-IN

Associate Software Engineer – React JS developer

- **Fusion Center**
 - **Enhanced Hexaware's internal tool, "Fusion Center,"** by redesigning its previous UI. This tool serves as a central platform to list and access all AI solutions and tools offered by Hexaware, improving usability and efficiency.
 - Implemented advanced features like dynamic routing with React Router, and Redux for optimized state management.
 - **Boosted efficiency by 40%** through code optimization techniques, enhancing app performance and user experience.
Tools – React JS, Redux, Tailwind CSS
- **Media streaming web application**
 - Developed a movie streaming platform using ReactJS, featuring **dynamic routing, lazy loading**, and secure user authentication with **Firestore**.
 - **Integrated OpenAI API** to deliver personalized movie recommendations, enhancing user engagement and satisfaction.
 - Implemented robust **state management with Redux** to efficiently handle movie categories like trending and top-rated selections. **Tools** – OpenAI API, React JS, Redux, Tailwind CSS

Associate Software Engineer – Full Stack Developer

- **School Curriculum web Application**
 - Enhanced a school web application's security and performance by implementing critical fixes to address vulnerabilities, improving code quality, and **increasing efficiency by 30%**.
 - **Developed new features** to optimize functionality and conducted comprehensive unit testing, ensuring reliability, maintainability, and robust performance. **Tools** - ColdFusion, MySQL, JavaScript, CSS, SVN, SSH

Independent Project

□ **Portfolio Project**

- Conceptualized and developed a self-initiated project to showcase expertise in modern web technologies. **Utilized ReactJS, React Hooks, React Router, and Tailwind CSS** to build a dynamic and visually appealing portfolio application.
- Designed the application to provide organizations and viewers with an immersive experience, showcasing my skills and expertise in frontend development. Link: [Portfolio Website](#)

CERTIFICATIONS

-
- Microsoft Certified Azure Fundamentals
 - Generative AI Level-1 Foundation Course (issued by Sonic-Hexaware)
 - Namaste React JS (powered by NamasteDEV)

ACHIEVEMENTS

-
- Dream Team Award - Hall of Fame - Hexaware Technologies - Proactive involvement and innovative approaches
 - Rockstar of the month - Hexaware Technologies – Best Performer of the month
