Gayatri Bhairav

Software Development Engineer

Summary

Frontend Developer with 2.8+ years of experience, currently working at Jio on developing projects using an open-source technology stack. Seeking opportunities to advance my career as a Software Development Engineer and contribute to innovative and impactful projects.

Work Experience

Reliance Jio Platforms Limited – Software Development Engineer I

Navi Mumbai

04/2023 – Present

- Contributed to the development of an enterprise-level customer management system, transitioning a legacy SAP module into a modern web application utilizing React.js/ JavaScript and other UI Libraries.
 - Leveraged state management solutions like Context API to manage complex application state efficiently.
 - Built reusable, modular UI components to accelerate development and maintain code quality. Focused on enhancing usability, user experience, and visual appeal to create a more flexible and engaging solution.
 - Collaborated closely with the backend team to integrate APIs and ensure smooth communication between frontend and backend. Utilized Swagger and Postman for efficient API testing and validation.
 - Managed build, deployment, and continuous integration processes for the development environment. Utilized Azure DevOps for CI/CD pipelines and version control, ensuring smooth and efficient deployment cycles.
- Skills** - React.js, JavaScript, HTML, CSS, Redux, Context API, RESTful APIs, Git, Azure DevOps, Integration Testing, UX/UI Design, Agile, Product Cycle Development, Postman, Swagger

Reliance Jio Platforms Limited – Graduate Engineer Trainee

Navi Mumbai

07/2022 – 03/2023

- Performed manual testing and daily sanity checks for JioMeet Web, MyJio, and Jio.com.
- Created and maintained detailed test cases to ensure functionality and usability.
- Creating Bug tickets on Azure Devops.

Achievements

- **Completed 6-months Internship in TCS (01/2022 - 06/2022)** - Specializing in Docker and Kubernetes, and developed a mini application.
- **The Complete Web Development Bootcamp(2022)**
