Experience

Senior Digital Architect

SPACE

Apr 2022 - Jan 2024 (1 year 10 months)

Builder of new scenarios for retail stores, events, art display, and gathering through a digital experience.

Project Developer

Cubo 3 | Diseño y Fabricación de Mobiliario Retail

Jun 2019 - May 2022 (3 years)

I developed and supervised retail projects. Together with the design team I also oversaw design, development, project quotes and manufacture.

Design Engineer

D'aQua - Water Projects & Systems

Mar 2016 - Dec 2018 (2 years 10 months)

I was in charge of the NPI engineering area for the company. I worked mainly on the water vending models that the company offers.

Project Design Coordinator

SoA Mobiliario

Jan 2014 - Mar 2016 (2 years 3 months)

Was in charge of project development, renderings, client presentations, and final delivery of furnishing projects. I also worked on special furniture lines and coordinated their manufacture.

Industrial Designer

Construlita

Jan 2013 - Oct 2013 (10 months)

I was part of a team of engineers who developed new lighting products. I worked mostly on new LED lines for the company.

Project Designer

Gebesa

Jun 2010 - Oct 2012 (2 years 5 months)

I started my career in the company as a project planner, landing office furniture solutions to projects for enterprises, SME, government and public education. Also, I was responsible for the development of new furniture lines.
