Pooja Gauda

Summary

Innovative Web Developer with background in creating and optimizing websites for functionality and aesthetics. Skilled in utilizing programming languages such as HTML, CSS, JavaScript, and Python to build user-friendly digital platforms. Strengths include creative problem-solving skills, knowledge of current web technologies and trends, and ability to work effectively under tight deadlines. Last assignment involved successfully launching mobile responsive website for high-profile client.

Experience

Phoenix Technocyber - Web Developer
Kalyan, India
10/2023 - 10/2024

- **Techowl Shield Web Application** – Developed a secure web application using **HTML, CSS, and JavaScript** to enhance user experience and accessibility. Implemented responsive UI, optimized loading performance, and ensured cross-browser compatibility.
- **Complython.ai Web Application** – Built an interactive compliance management system using **HTML, Bootstrap, and JavaScript**. Focused on user-friendly interfaces, form validation, and dynamic data representation.
- **Techowl GRC Plus Web Application** – Designed and implemented a **Governance, Risk, and Compliance (GRC)** web solution using **HTML, Bootstrap, and JavaScript**. Integrated dashboards, real-time data visualization, and authentication features to enhance security and usability.

Hlafly - HTML Developer
Hydrabad
12/2021 - 06/2023

- **Hlafly Web Application** – Contributed to a **Vue.js**-based web application using **HTML and Element UI**. Focused on frontend development, component-based architecture, and seamless integration with backend services.
- **1Booking Web Application** – Developed a **hotel and travel booking platform** using **Vue.js, HTML, and Bootstrap**. Created a responsive interface, implemented search filters, and improved UX for seamless booking processes.
- **Maharah Web Application** – Worked on a **freelance and job portal** using **Vue.js, HTML, and Bootstrap**. Integrated job listing features, user profiles, and an intuitive dashboard for both job seekers and employers.
