

Krishnat Mahajan

Software Developer

📍 Pune 📞 +91 7219125455 ✉ mahajankrishna797@gmail.com 🔄 Krish4206 🌐 LinkedIn

PROFESSIONAL SUMMARY

"Experienced React.js Developer with a proven track record of 3.3 years in designing and implementing web applications. Adept at crafting efficient, scalable, and responsive user interfaces while maintaining a strong focus on code quality and performance. Proficient in a wide range of front-end technologies, with a deep understanding of JavaScript and its ecosystem. Skilled in collaborating with cross-functional teams to deliver exceptional user experiences".

PROFESSIONAL EXPERIENCE

Teliolabs Communications Inc. (Client: Tata Communications Transformation Services Limited - TCTSL,Pune(Dighi)) 09/2024 – present
Pune, India
Software Engineer

"Currently working as a Software Engineer on a Workforce Management project for TCTSL, where I develop and implement key modules to streamline workforce operations. Additionally, I am engaged in a Vodafone PNG project within TCTSL, enhancing workforce management functionality and improving process efficiencies to meet organizational goals".

Ques Corp (Client: Accenture) 06/2024 – 08/2024
Pune, India
React.js Developer

"Contributed as a React.js Developer at Ques Corp on a healthcare project for Accenture, focusing on building scalable web applications, optimizing performance, and enhancing user experience through efficient, user-centric solutions".

CEPL 06/2021 – 01/2024
Pune, India
Quality Engineer

"Accumulated 2.7 years of experience at CEPL, initially starting as a Quality Engineer for 1 year before transitioning into a Frontend Engineer role specializing in React.js for the past 1.5 years. Contributed to multiple client projects, delivering high-quality solutions while leveraging strong problem-solving skills and technical expertise in frontend development."

EDUCATION

Bachelor Of Engineering. 2017 – 2021
Ch.Shivaji University. Kolhapur, India

Diploma in Mechanical. 2015 – 2017
KPIT. Mudal, India

HSC 2013 – 2015
Yashwantrao Patil Jr. College. Solankur, India

PROJECTS

Enterprise-Grade Dashboard and Analytics Platform

Tech Skills: React.js | Redux | Styled Components | REST API | Axios | React Router | Responsive Design

Description:

Collaborated with the company's development team to create a comprehensive and visually appealing dashboard and analytics platform. Designed to meet the needs of the company and its clients for data visualization, reporting, and decision-making.

Roles & Responsibilities:

- **Front-End Development:** Led the development of an enterprise-grade dashboard using React.js, implementing customizable dashboards, interactive data visualizations, and real-time updates.
- **State Management:** Utilized Redux for efficient state management, ensuring a consistent and enhanced user experience.
- **User Authentication:** Implemented robust user authentication and role-based access control to safeguard sensitive data.
- **Data Visualization:** Created data visualizations using D3.js and other libraries for data-driven decision making.
- **Real-Time Updates:** Implemented real-time data synchronization through Firebase, providing instant updates and notifications.
- **Responsive Design:** Ensured a responsive user interface, allowing seamless access on various devices.
- **Performance Optimization:** Optimized the platform to handle large datasets and complex dashboards, enhancing overall performance.

TECHSTACK

- **Programming Languages:** JavaScript | TypeScript
- **Frontend Development:** React JS | HTML5 | CSS3 | Bootstrap | Redux | ES6
- **MERN Stack Development:** MongoDB | Express.js | React.js | Node.js
- **API Testing:** Postman | Thunder Client
- **Version Control & Collaboration:** Git | GitHub | SVN Tool
- **Web Development:** REST API | JSON | HTTP | Axios
- **Code Quality:** ESLint | Prettier
- **Problem-Solving**
- **Communication**
- **Other Skills:** Next.js | Axios | NPM | Babel | Jira
- **Deployment:** Win SCP | MobaXtrem

SOFT SKILLS

- Teamwork
- Team Management
- Adaptability

CERTIFICATES

- PRM Certificate 
- Web Dev Fundamental 
- React.js Certificate
