SUMMARY

Experienced PPC Technical Head with over 14 years in crafting and implementing high-impact paid media strategies. Demonstrated ability to surpass client expectations and fuel business growth through innovative approaches. Expert in Google Ads, Bing Ads, and various paid media platforms (including Amazon, Gemini, AdRoll, etc.), with a strong blend of analytical skills and creative problem-solving. Dedicated to using paid media to achieve both B2B and B2C marketing goals. I value collaboration and am committed to providing outstanding customer service.

Having a solid history of designing detailed PPC strategies and bespoke performance metrics, I am excited to apply my skills to boost the online presence and profitability of my future team.
