Skills

HTML () | CSS | JavaScript | React Js | Next Js | Node Js | Express js | MongoDB | MySQL |
Bootstrap | Material UI | Redux | RESTful API

Professional Experience

Rabs Net Solution Pvt. Ltd. (Web Developer Internship), 3 Months Internship Completed
Developed a full-stack web app using Next.js (front-end) and Node.js with Express (back-end). Implemented dynamic pages and optimized SSR for improved SEO and performance. Integrated back-end APIs for data fetching and user request handling. Managed user authentication, authorization, and data through RESTful services

N Tech Global Solutions Mumbai (Web Developer Internship), 3 Months Internship Completed
Contributed to the development of web applications using React, JavaScript, and HTML/CSS. Collaborated with cross-functional teams to design and implement responsive, user-friendly interfaces. Worked on integrating front-end features with back-end APIs to ensure seamless data flow and functionality between the two layers

Projects

MIC Luxury Cars (Next JS)
Developed MIC Luxury Cars website using Next.js to showcase luxury vehicles. Utilized Next.js features for fast page loads, server-side rendering, and smooth navigation, providing an elegant, responsive interface for exploring premium car listings and services

E-Commerce Website (React JS) 🔗
Developed a fully functional e-commerce platform using React (frontend) and Node.js (backend). Implemented features like product listing, cart management, and order processing. Utilized RESTful APIs for seamless front-end and back-end communication.

School Website (React JS) 🔗
Developed a responsive landing page for a school website using React. Designed an intuitive layout with seamless navigation, including sections for school information, admission details, and contact forms. Integrated modern UI components to ensure a user-friendly experience
