ABOUT ME

Creative and detail-oriented Senior Graphic Designer and Video Editor with 10.5 years of experience delivering innovative designs and captivating motion graphics. Proficient in industry-standard tools like Adobe Creative Suite and CorelDraw, with expertise in designing promotional materials, brand collaterals, and engaging video content. Skilled in managing end-to-end design projects and collaborating with teams to produce high-quality creative solutions that meet business goals.

Passionate about blending creativity with functionality, I excel at creating motion graphics, animations, and video content tailored to diverse audiences. Based in Mumbai, I am committed to continuous learning and exploring new trends, such as UI/UX design, to stay at the forefront of the ever-evolving design industry.
