

VAISHNAVI KANOJE

Front End Developer | Angular & React JS

8975579186 • vaishnavikanoje1998@gmail.com • <https://www.linkedin.com/in/vaishnavi-kanoje-0a7b11223/> • Pune

Experience

Teksolto

Front End Developer

Pune
05/2022 - Present

- Developed, designed, and maintained web applications using React.js and Angular, while optimizing website performance for enhanced user experience.
- Integrated RESTful APIs and efficiently managed application state to ensure smooth data flow and functionality.
- Collaborated with backend developers to ensure seamless UI integration and efficient data flow.

Education

Sant Gadge Baba Amravati University

MCA - Computers

2018 - 2021

Sant Gadge Baba Amravati University

B.Sc - Maths

2015 - 2018

Projects

SmartShopFloor

- Upgraded Angular from version 12 to 18, enhancing performance, functionality, and stability.
- Integrated third-party libraries, design and developed new features to improve UI and application capabilities.
- Debugged and resolved critical issues by analyzing and optimizing Angular code.
- Optimized API screen loading, achieving faster data retrieval and improved responsiveness.
- Deployed Angular applications securely using WinSCP for efficient file transfers.

101 Blocks

- Design and developed **101Blocks**, a dynamic website connecting property buyers and sellers with ease.
- Integrated third-party libraries for enhanced functionality and user experience.
- Utilized **HTML**, **CSS**, **ReactJS**, **NextJS**, **Tailwind CSS**, and **JavaScript** for a modern, responsive design.
- Debugged and optimized code to ensure seamless performance and usability.

Yohansa

- Resolved issues by debugging code and developed new features using React.js.
- Created a user-friendly interface for a learning platform, enhancing user experience.
- Implemented new features with responsive design to ensure compatibility across devices using React.js.
