

BHARATI HEMANT JADHAV

UI/UX Designer

@ bharati.h.jadhav@gmail.com 📍 Maharashtra, India

SUMMARY

I am a dedicated UI/UX Designer with over 4 years of specialized experience in crafting effective user interfaces and experiences. My success stems from utilizing Bootstrap and modern web practices to enhance functionality and aesthetics. My background in sketching fuels my creative problem-solving skills, enabling me to deliver compelling designs while focusing on continuous growth and aligning results with user needs.
