Work Experience

Organization: Tata Steel (15 April 2019- Present)

Designation: Operation Assistant

Job Description: Responsible for machine operation, conducting area inspections, and supporting project teams in achieving key objectives. Maintained 5S standards and a visual workplace, utilizing strong analytical and problem-solving skills to deliver high-quality solutions and actionable insights.

Achievements:

- Led **UDESHYA**, a cross-functional team of 8, completing 12 projects. Notably, implemented a **sensor-based system** at Tata Steel, reducing **raw material spillage** by 17%.
- Conducted **4 5S audits** and established a **model workplace** for the department.
- Submitted **72 kaizens**, with **51 implemented**; earned special recognition and a **letter of appreciation** from the VP of Iron Making.
- Part of the organizing team for **Aspire Night (2018, 2019, 2023)**.

Learnings:

- Participated in **Tata Steel's School of Excellence** for Safety and Iron Making, enhancing practical knowledge of industrial safety and iron making processes.
- Completed **TSAF's 10-day leadership program** in Uttarkashi, gained real-time experience in leadership, team management, and work engagement.

Professional Courses

- Advance Excel
- HR Analytics (Persuing)

Projects Selected

- **Safety Cooling Helmet** – Developed a PCM-based cooling helmet to reduce heat stress for industrial workers; currently in Phase 2 of patenting.
- **Raw Material Spillage Reduction** – Implemented sensor-based monitoring to reduce material spillage by 17% at Tata Steel.
- **Project Malti (CSR Initiative)** – Worked on resource utilization and skill development for underprivileged women, facilitating sewing, embroidery training, and village infrastructure improvement.

Positions of Responsibility Held

- Led a team of 10 peers in the **Small Group Activity team**, overseeing the planning and execution of suggestions and kaizen initiatives. Ensured seamless logistics, coordinated presentations, and enhanced contextual relevance for successful event management.
- Group Leader for a team of 10 peers during **social service fieldwork** at Xavier's Institute of Social Service. Effectively managed resource allocation, resolved conflicts, and motivated team members through strong communication and problem-solving skills.

Extra – Curricular & Social Impacts

- Seven-time blood donor at age 22.
- Member of NGO "Creative Action for Poor"
- Led campaigns of "Sabal Sahyog", A Tata's CSR initiative for skill development of physically challenged clients.
- Completed Basic Mountaineering from TSAF.

I hereby declare that the above furnished details are correct to the best of my knowledge.
