EXPERIENCE

FREELANCE DIGITAL MARKETING SPECIALIST | SOCIAL MEDIA

MARKETING, SEO, CONTENT STRATEGY

Remote | June 2023 - Present

ROLES AND RESPONSIBILITIES

- Designed and executed digital marketing campaigns for small businesses, boosting online engagement by 35% through targeted social media strategies on Instagram and LinkedIn.
- Conducted keyword research and implemented SEO best practices, improving organic search rankings by 20% for client websites within three months.
- Created compelling content (blogs, social media posts, email newsletters) to enhance brand awareness, resulting in a 25% increase in website traffic.
- Analyzed campaign performance using Google Analytics, optimizing ROI and achieving a 15% increase in lead generation.
- Collaborated with clients to develop brand positioning and promotional strategies, enhancing customer retention by 10%.

FREELANCE MARKET RESEARCH ANALYST | CONSUMER INSIGHTS,

DATA ANALYSIS, TREND FORECASTING

Remote | January 2023 - May 2023

ROLES AND RESPONSIBILITIES

- Conducted primary and secondary research for local startups, analyzing consumer preferences and market trends to inform product development strategies.
- Designed and distributed surveys using Google Forms, collecting over 200 responses to assess brand perception and purchasing behavior.
- Utilized Excel and Tableau to visualize data, presenting actionable insights that improved client decision-making by identifying untapped market segments.
- Benchmarked competitor strategies, delivering reports that guided clients in refining their value propositions and pricing models.
- Collaborated with a team of peers on a mock consulting project, synthesizing findings into a 15-page report for a hypothetical product launch.

ACHIEVEMENTS

- Conducted market research on consumer behavior for an MBA project, earning top grades for actionable insights.
- Developed a digital marketing plan focusing on SEO and social media for a university assignment, praised for creativity and feasibility.
- Created a branding strategy for a mock product launch, presented to a panel of professors and peers.
- Led team projects during MBA coursework, showcasing leadership and collaboration skills.
