SUMMARY

Frontend Developer (**React.js, TypeScript, Redux**) specializing in **SEO-optimized, high-performance web apps**. Proven track record in boosting traffic by **40%** and enhancing UX through responsive design and accessibility compliance. Strong collaborator in **Agile teams** with expertise in **UI/UX implementation, reusable component architecture, and cross-browser compatibility**.

TECHNICAL SKILLS

Frontend: React.js, Next.js, Redux, Context API, TypeScript, JavaScript (ES6+), HTML5

Styling: Tailwind CSS, Chakra UI, CSS3

Tools: Git, GitHub

Core: SEO Optimization, Component Library Development

PROFESSIONAL EXPERIENCE

Frontend Developer – SDE-1 | Chakr Innovation, Gurugram

June 2024 – Present

- Developed company website using **Next.js & TypeScript**, boosting **organic traffic by 40%** via **SEO**
- Delivered **mobile-first responsive designs** using **Flexbox** and **CSS Grid**, achieving 100% cross-browser compatibility (Chrome/Firefox/Safari) and improving **mobile engagement by 25%**
- Developed interactive features using **React hooks** and **Google Analytics**, reducing user friction by 30% and boosting conversions by 25% through data-driven UI optimizations
- Developed **internal dashboard** with **role-based access** via **Redux**, fetching data efficiently through **REST APIs** to streamline **workflows by 20%**

Frontend Developer – SDE-1 | FxConsulting, Gurugram

Sept 2023 – June 2024

- Architected and implemented **50+ reusable UI components** using **Next.js, TypeScript, and Tailwind CSS**, reducing development time by 35% across projects
- Established comprehensive **documentation and Storybook integration** for the component library, improving team adoption by 40%
- Optimized component performance through **memoization and dynamic imports**, achieving 20% faster load times

KEY PROJECTS

VibeShare - Social Media Platform | React.js | JavaScript | CSS3

[Demo](#) [GitHub](#)

- Developed a social media application with **JWT authentication**, managed state using **Context API**, and implemented **protected routes**, eliminating unauthorized access.
- Implemented interactive features (**likes/bookmarks**) using React hooks.
- Designed responsive UI with custom CSS and **mobile-first approach**.
- Optimized performance with **lazy loading**.

BookByte - Ecommerce Platform | React.js | Redux | JavaScript | Chakra UI

[Demo](#) [GitHub](#)

- Built online bookstore with **product filtering** (category, price range, ratings) and sorting
- Implemented **shopping cart** and **wishlist** functionality using Redux for state management
- Developed **secure checkout** process with form validation and order confirmation
- Developed responsive layouts using **CSS Grid** and **Flexbox** that adapt to various screen sizes

EDUCATION

Bachelor of Engineering in Computer Science

Priyadarshini College of Engineering, Nagpur

Aug 2018 – May 2022

CGPA: 8.9/10

CERTIFICATIONS

Web Development Bootcamp | NEOG CAMP (2023)

Responsive Web Design | freeCodeCamp (2021)
