PROFESSIONAL SUMMARY:

Frontend Developer with 3+ years of experience in building high-performance, user-centric web applications for enterprise clients. Skilled in HTML, CSS, JavaScript, and React.js, with expertise in responsive design and performance optimization. Adept at collaborating with teams to deliver seamless digital experiences while ensuring fast load times and cross-browser compatibility. Passionate about staying ahead of industry trends and adopting modern development practices.

PROFESSIONAL EXPERIENCE:

DEPT ®

Front End Developer | 01 March, 2022 - Present

- Developed high-performance, responsive websites for BFSI clients, including HDFC, HDFC Bank, Ultratech Cement, Beautiful Homes (Asian Paints), and Bajaj Broking.
- Optimized front-end performance, reducing load times and enhancing user experience through efficient coding, lazy loading, and asset optimization.
- Collaborated with UI/UX designers and backend teams to build seamless, user-friendly interfaces ensuring cross-browser compatibility.
- Implemented WCAG-compliant accessibility features like screen reader support and keyboard navigation to enhance inclusivity.
- Integrated RESTful APIs and third-party services to develop dynamic, data-driven functionalities.
- Debugged, refactored, and improved front-end code for better maintainability and scalability.
