+91 9630303251 | namanvinayak.2398@gmail.com | LinkedIn

PROFILE

Results-driven marketing manager with 2 years' experience leading digital strategy across SEO, SEM, content and social media. Skilled in driving ROI and brand growth through data-led campaigns, managing cross-functional teams and external agencies. Proficient in SAP, vendor operations, and end-to-end project management. Recognized for strategic thinking, adaptability, and leadership in fast-paced environments.

WORK EXPERIENCE

Luminous Power Technologies

Sept '23 - Present

Assistant Manager - Marketing

Website and SEO

- Increased **250% website traffic** and **CTR by 175%** for both the websites by coordinating with the agency to improve UX/UI through strategic restructuring, dynamic visuals, **enhanced E-commerce functionality** and gamification elements to elevate the user experience.
- Enhanced user retention** by improving marketing analytics, taking data-driven decisions and following best industry practices.
- Drove **150% organic traffic growth** across Solar and Non-Solar domains by leading data-driven content planning for **200+ targeted blogs**.
- Preserved search rankings during website migration by leading SEO strategy and overseeing agency-led execution of URL redirection.
- Optimized on-page and off-page SEO, **enhancing E-commerce tracking** via UTM parameters for accurate campaign performance analysis.

E-Com and Media

- Strategized to achieve **₹1 Cr+ in monthly website sales** and **₹50L+ revenue** via email and SMS campaign by managing full-funnel campaign strategy, asset delivery, and performance tracking and media optimization to **maximize ROI** with the help of external agency.
- Boosted marketplace visibility & conversions by using best SEO practices and **revamping content of 150+ ASINs and 100+ FSNs**.
- Increased sales by 20%** by **onboarding 5+ new E-commerce websites** and led high-engagement campaigns and gamification initiatives.

GTM Strategy

- Created GTM strategy** for multiple product launches, driving 4Ps by conducting market research and competitor benchmarking.
- Single-handedly executed **multi-channel campaigns** (digital, PR, events, influencers, email, and paid media) to amplify brand visibility

Social Media and Influencer Marketing

- Drove **2x growth** in reach & traffic and boosted engagement by **125%** through IPL-led moment marketing across all social media platforms
- Developed content strategy, managed agency execution for creatives and paid campaigns, handled real-time audience interaction, and ensured brand reputation through crisis response. Orchestrated **influencer and product launch campaigns** with successful media pickup.

Operations

- Managed ₹25 Cr+ annual budget**, streamlining operation processes to **reduce TAT by 60%** and ensure seamless financial execution.
- Oversaw end-to-end lifecycle for **10+ vendors** (onboarding, compliance, contracts) and ensure timely deliverables and payments.

BTL and Branding

Strengthened brand presence by **executing BTL initiatives, managing expos** and visiting retail stores across North and East region.
