### PROFILE

As a multi-disciplinary designer, I possess a unique blend of creativity, technical expertise, and strategic thinking. With a diverse background in various design disciplines such as graphic design, UX/UI design, and product design, I bring a holistic approach to every project I undertake. My ability to seamlessly integrate different design elements enables me to create visually compelling and user-friendly solutions that meet both aesthetic and functional requirements. I am adept at leveraging cutting-edge tools and technologies to bring innovative ideas to life, while also understanding the importance of user experience and brand consistency. With a keen eye for detail and a passion for pushing creative boundaries, I thrive in collaborative environments where I can contribute my expertise to deliver impactful and engaging designs across different mediums.

# SUYASH PRASAD

CREATIVE DESIGNER

## SPA THEORY

Spa Theory is the sub brand of Aromatherapy International. They deal with B2B clients primarily but also cater to B2C. They have a variety of products such as Diffuser oils, Car Fresheners, Air fresheners, Diffuser machines etc and cater to major hotels all over India. I was in charge of Spearheading the creative design of their product line, including brochures and brand collaterals. I Implemented comprehensive brand guidelines for the business, ensuring consistency across all platforms and touchpoints, reinforcing brand recognition and loyalty.

Created packaging designs for all the products (more on request)

New range of hair serum using 3D mockup design

## KION INDIA

Provided design assistance for the release of the electric tow truck. My role was to generate ideas for the aesthetics of the truck and also provide placement of branding such as logos, model name, safety stickers, etc. In addition to this, I had also created the embossed logo for the counterweight for all the other forklifts which included the 1.5T, 5T, 16T, and the electric variants.

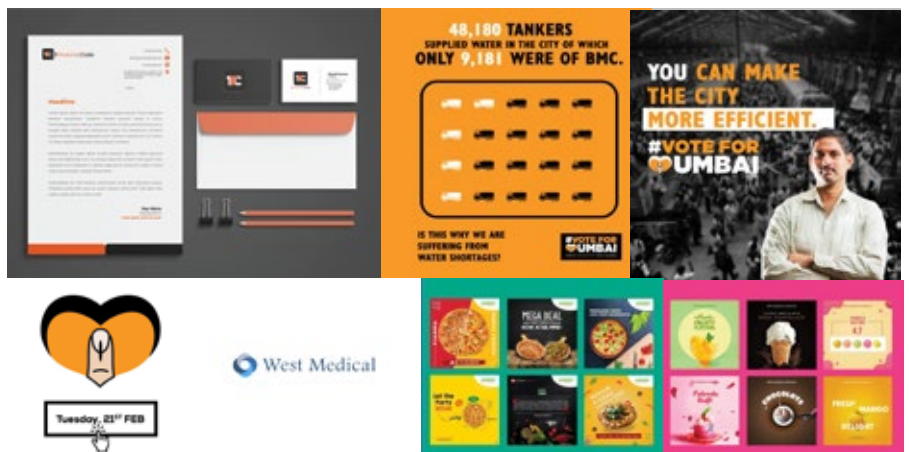

Electric Tow Truck

## FREELANCE PROJECTS

A variety of projects done in different sectors such as advertising, fintech, medical, F&B, political and many more. These projects helped me understand the way the different industries work and the different guidelines each industry has. My role was to use the research to create visually stunning and informative designs to help promote what the brands were trying to convey.

Multiple freelance projects

Diffuser Oil - 500ml : Understanding client needs to create designs

### Air Freshener - 250ml

- New fragrance created of agarwood more commonly known as oudh. It is very familiar scent to the Middle East and some parts of Africa. Many other scents were also created using the same design language.

### Car Freshener - 150ml

- Car fragrance is a major overlooked market. Creating a range of fruity, earthy, musky fragrance tones helped tap into that market. The combination of Orange and Cedarwood creates a fresh and soothing ambience in the car.

### Body Polish - 200gm

- This rich blend gently exfoliates, revealing softer, smoother skin, while the pistachio's natural oils provide deep hydration. Kokum butter, known for its healing properties, locks in moisture, leaving your skin feeling rejuvenated and radiant.

## Bath Salt - 200gm

- Creation of concepts for new range of bath salts. This variant consists of Lavender & bergamot. It dissolves instantly in water and creates a relaxing environment for the individual.

## Face Cleanser - 50ml

- Grapefruit's natural antioxidants help purify your skin, removing impurities and excess oil for a radiant complexion. Argan oil, rich in essential fatty acids, hydrates and softens your skin, leaving it smooth and balanced.

For Vivanta hotels

In collaboration with Spa Theory

Perfume box concept in collaboration with Vivanta Hotels

## Gift boxes

- Creation of concepts for gift boxes used to distribute during festivals or special events. They can consist of any items in the product line as per the customer's requirements.

## Gift boxes

- The wellness kit consists of essential oils and also a pouch. It is portable and can easily be transported while travelling.

## 1 Financial Code

Brand Goals

**1 Financial Code** is a new fintech company dedicated to simplifying financial services for its users. Recognizing the unique needs of all demographic, 1 Financial Code offers user-friendly digital banking, intuitive financial management tools, and secure online transactions. The company's mission is to enhance financial accessibility, reduce complexity, and provide peace of mind for its users. With a focus on ease of use, exceptional customer support, and robust security, 1 Financial Code aims to empower users to manage their finances confidently and independently in the digital age.

## Meaning

Advait skin care, named after the revered concept of non-duality and oneness, draws inspiration from Lord Brahma, the creator in Hindu mythology.

The brand is dedicated to bringing out the divine radiance within you, reflecting the timeless wisdom and creativity of Lord Brahma.

# Logo

The logo is derived from Lord Brahma's crown and the halo surrounding it.
