Summary

Front End Developer | 4.5+ Years of Experience | Passionate and Results-Driven

I'm a skilled front-end developer with 4.5+ years of experience building responsive, user-centric web applications. Proficient in HTML, CSS/CSS3, JavaScript, React, and Redux (including Redux Toolkit), I bring a deep commitment to delivering high-quality, visually appealing, and efficient code. With expertise in Responsive Web Design, API integration, Bootstrap, and AWS, I create seamless and optimized digital experiences. Known for my integrity and dedication, I handle every project with honesty and attention to detail, ensuring each product exceeds client expectations.
