EDUCATION

Bachelor's of Technology (B.Tech), Information Technology

2019-2023

ABESIT Group of Institutions, Ghaziabad-UP

Intermediate, PCM

2018-2019

BBSSM Inter College, Meerut-UP

PROJECTS

Image Resizer Web Page

Built with React.js, HTML, CSS, and JavaScript to automate image resizing while maintaining aspect ratio and quality. Added batch processing, format conversion, and a responsive UI for optimal performance.

Plant Leaf Disease Detection

Developed a Python-based application to detect plant leaf diseases using image processing and machine learning techniques, improving accuracy and early diagnosis.

Recipe Website

Developed a dynamic website using HTML, CSS, and JavaScript to display and manage recipes, featuring an interactive UI for seamless browsing and user engagement.
