WORK EXPERIENCE

Zest India IT Services | Angular Developer

January 2024 – March 2025

- Developed and maintained scalable Angular applications with focus on performance and user experience.
- Integrated RESTful APIs, ensuring smooth data flow between frontend and backend.
- Implemented responsive interfaces using Angular Material and Bootstrap, enhancing cross-device compatibility.
- Optimized code, and improved application efficiency for better performance and maintainability.

PROJECT

NestFind

Description: NestFind is an innovative real estate platform designed to streamline property transactions. Whether you're looking to buy, sell, or rent a home, NestFind connects property owners with potential buyers and tenants through an intuitive and seamless experience. With powerful search filters and real-time property updates, NestFind makes finding the perfect home effortless.

Roles and Responsibilities:

- Developed a responsive UI using Angular, ensuring a seamless user experience across all devices
- Collaborated with team members to understand project requirements
- Optimized application performance by implementing lazy loading
- Created reusable Angular components to enhance code efficiency and maintainability
- Implemented and managed Angular Forms to handle user input validation

TRAINING AND CERTIFICATION

Angular Developer Certification

August, 2023 – December 2023

CODEMIND TECHNOLOGY

- Completed intensive corporate training focused on Angular development.
- Gained strong proficiency in Angular, JavaScript, CSS, and HTML.
- Developed a web project to enhance skills in front-end and back-end integration.

Project: Electro hub - Electro Hub is an online e-Commerce platform for electric equipment, machinery and hardware tools. It provides users with a seamless shopping experience with features like "Add to Cart" functionality and a curated list of featured products. Discover a wide range of high-quality tools. Electro Hub is your one-stop shop for all your hardware needs.
