WORK EXPERIENCE

Senior Web Designer

MS Exegesis Infotech Pvt Ltd

03/2024 - Present

Navi Mumbai, Maharashtra

Achievements/Tasks

- Worked on a new insurance project. Designed intuitive, responsive user interfaces using Figma based on client requirements.
- Developed and integrated the frontend with React.js and Tailwind CSS, ensuring high performance and scalability. Collaborated with the backend team to consume and integrate RESTful APIs.
- Assisted backend developers in implementing key features using .NET MVC Core, enhancing overall system functionality

Web Designer

MS Exegesis Infotech Pvt Ltd

04/2022 - 03/2024

Navi Mumbai, Maharashtra

Achievements/Tasks

- Worked on two new projects, focusing on both design and development. Designed a flexible user interface in Figma and implemented it using Next.js and Tailwind CSS.
- Integrated user authentication using Next Auth to ensure a secure and seamless user experience.
- Created a single-page application (SPA) by designing the layout in Figma and developing it using Vanilla JavaScript and Bootstrap 5.

Trainee

MS Exegesis Infotech Pvt Ltd

03/2021 - 03/2022

Navi Mumbai, Maharashtra

Achievements/Tasks

- Developed a dynamic web application using Vanilla JavaScript for the frontend and .NET for the backend for new project name Flexi Insurance.
- Utilized modern JavaScript ES6+ features including classes, Number, Date, array/object methods, closures, as well as debouncing and throttling techniques for performance optimization.
- Worked with polyfills to ensure compatibility across older browsers. Explored and applied advanced CSS features such as custom properties (CSS variables), pseudo-elements, and media queries to deliver a responsive, cross-browser-compatible user interface.
