- Tech Stack- Java, Spring , Hibernate, HTML And CSS.

Education

Shivajirao S. Jondhle College Of Engineering And Technology

Aug 2018 – July 2022

Bachelor Of Engineering in Computer Engineering - CGPA - 8.04/10

Thane, Maharashtra

B. K. Birla College of Arts, Science And Commerce

July 2016 – May 2018

HSC - 80%

Thane, Maharashtra

Sharada Mandir High School

March 2016

SSC - 91.80%

Thane, Maharashtra

Projects

Connecting Social Media To E-Commerce: Cold-Start Product Recommendation Using Microblogging Information

- Pioneered the integration of social media with e-commerce, enabling cold-start product recommendations based on microblogging information, revolutionizing user engagement and sales dynamics.
- Implemented and deployed the Spring Framework, resulting in a 30% improvement in data retrieval speed.

Restaurant Menu Selection Project

- Developed a restaurant menu selection system utilizing Java, HTML, CSS3, and JavaScript, streamlining customer ordering through tabletop screens and kitchen order integration. Efficiently capable of managing up to 1000 customers per hour while meeting essential requirements.
- Implemented PostgreSQL database for backend infrastructure, resulting in improved kitchen operations and enhanced customer experience.

Co-Curricular Activities

Events Head

Aug 2020 - July 2021

Computer Engineering Students Association, SSJCET

Thane, Maharashtra

- As an Event Head in the committee, I organized several technical and non-technical events. Handling a team and effective coordination emerged as the main takeaways from this position.

Technical Skills

Languages: Java (Core and Advanced), JavaScript

Frameworks: Spring Boot, Spring MVC, Hibernate

Web Technologies: Java Server Pages (JSP), AJAX, HTML, CSS, JQuery

Database: PostgreSQL

Reporting Tools: JasperReports
