SUMMARY & SKILLS

Full-stack marketing leader with 16+ years of experience in digital, brand and performance media across APAC, with proven specialization in music marketing. At Meta, I led the music content and paid media strategy across APAC working directly with music labels and publishers to scale video distribution on FB Watch and IG Reels. I conceptualized and executed 500+ paid campaigns per quarter with \$25M+ budget, increasing music watch time, creator reach and monetization impact. At Monster Energy, I extended this leadership to full funnel digital execution across Meta, Google, TikTok and Amazon ecosystems.

- **Core Skills:**

- Paid Media Strategy | Meta, Google, TikTok, Amazon Ads | Full-Funnel Execution
- Music Content Marketing | Artist & Label Partnerships | Entertainment Growth Campaigns
- Campaign Optimization | AI-Powered Insights | Attribution | Audience Targeting
- Regional Marketing Leadership | APAC Market Expertise | Cross-Functional Collaboration.
- Data-Driven Creative Testing | Performance Dashboards | Campaign Monetization

EXPERIENCE

Monster Energy Company Senior Digital Marketing Manager APAC

India
Feb 2024 - April 2025

Owned full digital marketing lifecycle across SEA, Japan, India, Korea and West Asia, combining strategy, execution and analysis.

- **Marketing Strategy:** Directed Meta, Google, TikTok and influencer campaigns, optimized full-funnel performance using AI-based tools and real time reporting. Introduced new product digital launch strategy for FMCG category. Bridged on-ground campaigns with digital impact via owned and paid media. Developed and executed national marketing strategies, leading both brand and trade marketing on digital for India's growing energy drink segment.
- **Brand positioning and performance tracking:** Conceptualized and led cross-channel digital and media full funnel strategies integrating both offline and online marketing efforts. Worked on optimizing and reviewing campaign performance across various platforms (Meta, Google, X and TikTok) to achieve target KPIs and measure campaign performance with both internal and external stakeholders. Managed APAC-wide e-commerce and Q-commerce presence across Amazon, Shopee, BlinkIt, Naver and others,
- **Cross functional collaboration:** Managed communication with key business stakeholders, regional and global marketing teams, commercial teams and bottling partners when necessary. Supported development of global digital media strategies and implemented in multiple Asian markets.
- **Tracking Budget efficiencies:** Directed \$30M+ media budget, optimizing ROI across digital platforms. Negotiated budgets tied to business plans with leadership based on brand objectives and key cultural

insights. Tracked campaign performance by working closely with Analytics teams, measured and reported Brand lift trajectory month on month to the leadership teams.

- **Managing innovation:** Managed and innovated digital media strategies by including social, programmatic and influencer marketing. Leveraged marketing data and consumer insights to develop media strategies and executed campaigns in house.
- **New Product Development:** Launched new product lines across APAC markets, handling GTM strategy, content and media planning end-to-end. Partnered with global marketing, sales and commercial teams to localize global strategies and amplify regional relevance.
- **Team Management:** Managed a team of 5 Digital managers across key markets within APAC to guide their development on media strategies and plans that help deliver against Marketing goals.

Meta (formerly **Facebook**)
Marketing Manager APAC

Singapore
Jan 2019 – Jun 2023

- **Paid media and content strategy:** Led paid media and content marketing for the Music vertical across APAC. Collaborated with top music labels, artists and publishers to drive video content distribution especially Premium music videos (PMVs) and performance on FB Watch and IG Reels.
- **Performance Strategy Planning:** Spearheaded strategy for emerging and priority music markets (India, Indonesia, Thailand) delivering 25%+ YoY growth in platform watch time and creator revenue.
- **Product Strategy & Planning:** Partnered with product teams to conduct training for music publishers and creative partners on advertising best practices and campaign implementation.
- **Brand Performance Tracking and Analysis:** Scaled use of AI-powered performance tools and dashboards to improve targeting, budget allocation and campaign tracking.
- **BI Dashboards:** Collaborated with the Data Engineering team to design real time dashboards to track campaign performance, product performance, and integrity violations. Some of these dashboards were the most used across Content Partnerships org globally.
- **New Business Growth :** Piloted Reels Ads monetization in music-first markets, contributing to \$150M annual revenue growth.

META (formerly **Facebook**)

Lead Ads Campaign Analyst APAC

Jan 2016 – Jan 2019

Managed Ad campaign growth initiatives to drive acquisition and revenue for Facebook and Instagram in APAC markets.

- **Ads Marketing:** Built a model to calculate the impact of paid advertising. The Ad credit model was used to optimise content distribution and awareness and **improved KPIs costs by 80%**.
- **Campaign Planning and Execution :** Lead strategic planning, setup and execution of growth advertising campaigns with the budget ranging from **\$8M - \$50M** . Developed play-books on effective ad campaign management on Facebook and Instagram
- **Collaboration with Stakeholders:** Collaborated globally with content, product and marketing to develop data driven social media plans. Achieved seamless integration of marketing efforts, boosting overall campaign performance.

Reach Local India

Sr. Search Engine Marketing Analyst

Feb 2013 – Dec 2016

Led Optimization of Search and Display Marketing campaigns for SME's along with managing a team of 10 SEM Analysts.

- **Business Reviews:** Conducted monthly business reviews for India MD and his leadership team, covering revenue trends, competitive insights, and sales forecasts. Developed SEM search and display

campaign strategies to counteract changes and helped the Sales team achieve **double-digit YoY revenue growth** for the SME clients based out of US, UK and Canada.

- **Agency and Sales collaboration:** Partnered with cross functional teams to create product specific content enhancing brand storytelling and engagement, resulting in 35% increase in content share ability. Generated pitch decks, industry specific reports to better communicate value propositions.
- **Pricing Strategy:** Drove all pricing decisions for direct sales, private marketplace supply deals, and remnant inventory on the open marketplace. Collaborated with cross-functional teams to improve the **margin** for the direct response advertising managed business and **increased it by 25%**.
- **Tailored support for Small Businesses:** Launched a dedicated small business support program, offering personalised marketing toolkits and guides. This effort led to a 50% increase in small business engagement and 25% growth in sales within this segment.
- **Campaign Optimisation:** Managed large budget campaigns ranging from USD 5,000 - USD 50,000 per campaign for verticals such as Medical, Travel, Insurance, Automobile, Home Improvement, Education, Fashion etc. and helped the account management team improve the **ROI of direct response campaigns by up to 30%**.
